

Feedback Report 2021-22

As the session 2021-22 witnessed major change with start of Semester System in U.G. Classes which proved a massive change under NEP with the introduction of Skill Development Courses and Vocational Courses. However with full co-operation of teachers, non-teaching, students and guardians it was possible to conclude with feedback well in time of the session. On the basis of analysis made by feedback committee in the meeting held on the 15.02.2021 following conclusions were drawn which were summarized and forwarded to the Principal for further consideration-

1. Teachers are highly satisfied with the working conditions and overall appraisal of the college, only except that for availability of common room for staff, health insurance facility for staff, availability of crèche, the canteen facility was however met this session.
2. In all the teachers are highly satisfied with the course content providing an average of 70 % on the whole for the same.
3. The non-teaching staff is also satisfied with the overall conditions prevailing in the college only except the average which goes to availability of common room facility, health insurance policy and availability of crèche.
4. Henceforth both teaching and non-teaching staff marks average for health insurance policy to staff, common room facility, availability to crèche and canteen. These are the variables where college and administration needs to focus on.
5. The staff notices is the facility of health insurance to staff, common room facility. The availability of crèche are marked low since 2010, hence the college administration needs to focus their attention for the same.
6. The students are highly satisfied with the college only except few factors like absence of residential tours and camps, NCC, NSS, Rovers and Rangers which are a sign mark to the mark since 2010, more efforts are required to be made.
7. The students are satisfied on the whole with entire college staff from average to the satisfaction level.
8. The guardians are highly satisfied with college and staffs; better part is that the college administration movement for level of satisfaction for the functions like NCC, NSS, Rovers and Rangers in 2021-22, respectively.

However, the feedback analysis makes evident that teachers, non-teaching staff, students and guardians are satisfied with college and its administration. The parameters as mentioned above needs to be
