ICT opportunity

Computer facility, teaching criteria, regularity

Very good

1• use better graphics and visual media to engage students well. 2• Try to reach every student and ask for their doubts. 3• Make teaching a two way interaction.

Student ko subjects mein interest dhilana chahiye naa ki usse ye kahe ki tum nahi kar sakte ho.

All students are equal in institutions, students are better understanding from teachers, teachers are providing smart facilities

Sanitation problem: water facilities improved library

1- Encourage students to join library. 2-enhance mental ability of the students with some motivational things. 3- help students to build some skills.

1.Learning criteria should be more improvised. 2. Punctuality,regularity should be maintained by students and teachers should be slightly strict for students to come regularly to college. There is no strict actions for coming college regularly 3. There is more skill enhancing activities organised in college.

Our teachers are very support to study & they have solve our every problem in study but the college sports is working badly
