ABOUT THE COLLEGE

J.V. Jain College, Saharanpur, established in **1955**, is a premier institution of higher education in western Uttar Pradesh, founded to cater to the academic needs of the region and affiliated to **Maa Shakumbhari University**, Punwarka Saharanpur (UP). The college is located on a spacious, green, and pollution-free campus equipped with modern infrastructure, including extensive playgrounds and experimental fields, a rose garden, well-stocked library, administrative block, spacious auditorium, guest house, medical centre, banking facilities, and residential quarters for faculty and staff. The institution envisions expanding access to quality higher education for students from rural and remote areas of the northern region and other states, and its mission focuses on developing strong academic infrastructure and delivering quality education. Committed to holistic development, the college strives to impart quality education to students from both rural and urban backgrounds, inculcate discipline and social responsibility, provide platforms for academic, sports, and social excellence, promote values of equality, national integration, secularism, and fraternity. College encourages community welfare initiatives, support professional advancement of teaching and non-teaching staff, and foster active participation of faculty in state, national, and international academic forums.

OUR AFFILIATING UNIVERSITY

Maa Shakumbhari University, was established in 2019 at **Punwarka, Saharanpur**, aims to become a center of academic excellence, research, and holistic development. It was inaugurated in year **2021**, it serves nearly **1.5 lakh students** from affiliated colleges across Saharanpur, Muzaffarnagar and Shamli. The University promotes regional growth, women empowerment, and employment opportunities. Named after Maa Shakumbhari Devi, it embodies the philosophy that knowledge is the foundation of strength and progress.

OBJECTIVES OF THE NATIONAL CONFERENCE

1. To serve as a forward-looking academic forum for deliberation on the vision of Viksit Bharat @2047.
2. To bring together academicians, researchers, policymakers, industry experts, and students for meaningful interdisciplinary dialogue.
3. To promote integrated perspectives across commerce, science, technology, law, humanities, and social sciences for inclusive national development.
4. To encourage research and policy-oriented discussions on economic growth, digital transformation, sustainability, governance, and social equity.
5. To identify emerging opportunities and challenges in areas such as artificial intelligence, fintech, green growth, and human capital development.
6. To strengthen collaboration among academia, industry, and government for effective nation- building initiatives.
7. To disseminate best practices and contemporary research aligned with sustainable development goals.
8. To inspire youth and academic communities to actively contribute to India's transformation into a developed and globally competitive nation by 2047.

ABOUT CONFERENCE THEMES

Viksit Bharat @2047 envisions India's transformation into a fully developed, inclusive, and sustainable nation by the 100th year of Independence. The vision focuses on resilient economic growth, social equity, and improved quality of life through strong human capital, quality education, skill development, healthcare, women empowerment, and world-class infrastructure. Digital governance, artificial intelligence, innovation, and emerging technologies are key enablers for efficiency, transparency, and global competitiveness, while sustainable growth is ensured through clean energy, environmental protection, and climate resilience. Supported by good governance, robust institutions, and citizen participation, the vision aims to position India as a self-reliant and globally influential nation.

The national roadmap progresses through three strategic phases: **2025–2030**, emphasizing foundational reforms through youth skilling, NEP 2020 implementation, and advanced digital infrastructure; **2030–2040**, focusing on research leadership, energy independence, and global economic prominence; and **2040–2047**, prioritizing sustainability, universal literacy, poverty eradication, net-zero emissions, and high human development outcomes.

Aligned with this vision, the National Conference on “Viksit Bharat @2047: One Nation, Infinite Horizons – Converging Minds to Transform Every Discipline” provides an interdisciplinary platform for scholars, researchers, policymakers, industry professionals, and students to exchange ideas, research insights, and policy perspectives. The conference promotes convergence across disciplines to bridge theoretical frameworks and practical implementation, contributing to inclusive national development.

The theme highlights the need for collaborative growth across commerce, management, science, technology, law, humanities, and social sciences. Key focus areas include sustainable economic expansion, green finance, fintech innovation, MSME competitiveness, artificial intelligence, renewable energy, digital public infrastructure, legal and governance reforms, cultural resurgence, education reform, social equity, and gender-inclusive development. Through interdisciplinary dialogue and actionable outcomes, the conference seeks to support our nation's journey toward becoming a developed, sustainable, and globally competitive nation by 2047.

THEMES AND SUB-THEMES

Commerce, Management & Economy

Theme: The Roadmap to a \$30 Trillion Economy

Sub-themes:

- 1.Green Finance, ESG & Sustainability Reporting.
- 2.The Gig Economy: Challenges & Social Security.
- 3.Strategic Management in the Era of AI.
- 4.Digital Wallets and Mobile Payments
- 5.Transition from a developing to a high-income economy.
- 6.Strengthening manufacturing & infrastructure through
- 7.Make in India and Atmanirbhar Bharat.
- 8.Boosting MSMEs, startups, and entrepreneurship.

Law, Governance & Public Policy

Theme: Justice Frameworks for a Modern Nation

Sub-themes:

- 1.Legal Tech: AI in Judiciary & Dispute Resolution.
- 2.Uniform Civil Code (UCC) & Social Harmony.
- 3.Cyber Laws, Data Protection & Privacy Rights.
- 4.Intellectual Property Rights (IPR) for Indigenous Knowledge.
- 5.Constitutional Law in the 21st Century.
- 6.Citizen-centric and technology-enabled governance.
- 7.Transparency, accountability, and rule of law in Business & Cooperative Governance.

Humanities, Arts & Social Sciences

Theme: Cultural Renaissance & Social Equity

Sub-themes:

1. Indian Knowledge Systems (IKS) & Vishwaguru Status.

3. Mental Health, Well-being & Social Psychology.
4. Literature, Media, and Soft Power.
5. Gender Equity & Inclusive Development.
6. Quality education and skill development aligned with future jobs.
7. Universal access to healthcare and nutrition.
8. Women empowerment and youth participation.
9. Poverty alleviation and reduction of regional disparities

Sustainable and Future-Ready Economy

Theme: Robust economic growth balanced with environmental sustainability.

Sub-themes:

1. Agriculture & Rural Economy, Industry & Manufacturing (Make in India).
2. Services Sector.
3. Energy Security.
4. Green Economy (Renewables), and Smart Cities.
5. Clean energy transition and climate resilience.
6. Commitment to global climate goals.

Science, Technology & Engineering

Theme: Innovating for Sovereignty & Sustainability

Sub-themes:

1. Adoption of AI, Big Data, FinTech, and Smart Governance
2. Artificial Intelligence, Machine Learning & Data Ethics.
3. Renewable Energy: Solar, Green Hydrogen & Storage.
4. Space Technology & Commercialization.
5. Agri-Tech: Drones, IoT, and Precision Farming.
6. Cybersecurity & Digital Public Infrastructure (DPI).
7. AI for Smart Cities & Infrastructure.
8. Big Data Analytics and Financial Decision-Making
9. Advanced Functional and Smart Materials.
10. Sustainable and Green Materials.
11. Environmental Science and Climate Change.
12. Earth, Atmospheric, and Climate Sciences.
13. Biological Sciences and Biotechnology.
14. Mathematical Modeling and Scientific Computing.
15. Disaster Management and Mitigation Sciences.
16. Biodiversity Conservation and Ecosystem Sustainability.
17. Nanomaterials, Nanotechnology Applications, Chemical Sciences and Sustainable Chemistry.
18. Water Resources, Hydrology, and Natural Resource Management.

Home Science for Sustainable and Inclusive Development

Theme: Home Science Perspectives on Nutrition, Well-being, and Inclusive Development

Sub-themes:

1. Nutrition, Food Security, and Public Health.
2. Food Science, Processing, and Value Addition.
3. Human Development and Family Studies.
4. Community Nutrition and Maternal & Child Health.
5. Apparel, Textiles, and Sustainable Fashion.
6. Resource Management and Sustainable Living.
7. Consumer Education and Lifestyle Management.
8. Home Science Interventions for Rural and Urban Development.
9. Skill Development, Entrepreneurship, and Livelihood Generation.
10. Climate - Smart Homes for India @ 2047.
11. Lifestyle Diseases and Dietary Habits.
12. Sustainable Living and Responsible Consumption.

Paper Submission Guidelines

- **Abstract:** 200–250 words with important keywords.
- **Full Paper:** 3000–4000 words (excluding references).
- **Formatting:** Times New Roman, 12 Pt, 1.5 Line Spacing.
- **Reference Style:** APA (7th Edition) for Social Sciences/Commerce; IEEE for Tech/Science.
- **Plagiarism:** Must be below 10% (Turnitin report required).
- **Title Page:** Must include Title, Author Name(s), Affiliation, Email, and Phone Number.

Rigorous Review & Selection

- **Thorough Review Process** - All submitted papers will undergo a comprehensive peer-review process. Reviewers will be selected for their expertise.
- **High-Quality Acceptance** - We aim to accept approximately 30% of submissions, focusing on high-quality, impactful research. This ensures a strong program.

Important Dates

Last Date for Registration:
[06th March 2026]

Last Date for Abstract Submission:
[06th March 2026]

Last Date Full Paper Submission:
[10th March 2026]

Conference Date:
[13th and 14th March 2026]

Registration Fees

UG/PG Students/ Research Scholar (PhD): ₹ 300

Faculty / Academician: ₹ 800

Professors: ₹ 800

Industry Professionals: ₹ 800

Other: ₹ 800

Payment Details: Bank Of Baroda

A/C No. – 77390100006294 - IFSC(BARB0VJSJIV)

Fifth Character is Zero

Accommodation Details: Accommodation can be arranged in local hotels on payment basis subject to prior intimation and payment.

Publication Opportunity

Selected papers (through review process) will be published in highly reputed Internationally peer-reviewed journal with ISSN. The author will be charged for publication separately which will be intimated through WhatsApp group or email.

Best Paper Award:

Best papers award in the conference on each theme would be awarded to presenter.

Note: E-Certificate of presentation will be provided to online presenter.
